| Name:   |                                  |                                  | Date:                                  |  |  |
|---|----------------------------------|----------------------------------|--|--|--|
| 13. Cons  | ider William Penn and his "holy  | y experiment" What affect wo     | ould this have had on settlers looking |  |  |
| to mo   | ove to Pennsylvania?             |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
| 14. New England town meetings and the Virginia House of Burgesses represented what type of      |                                  |                                  |  |  |  |
|   | governmental structure?          |                                  |  |  |  |
| 80.0  |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
| 15. Why is the Mayflower compact a significant document?  |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
| 16. List and identify the four major countries during exploration and the areas they colonized. |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
| 4= 144  |                                  |                                  |  |  |  |
| 17. What  | t type of warfare is exemplified | i in King Phillip's war in New E | ingland?                               |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
| 18. What is the significance of the Bacon Rebellion?  |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
| 19. Fill in   | the chart below                  |                                  |  |  |  |
|   | Region                           | Geography                        | Economy                                |  |  |
|   | New England Colonies             |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   | Middle Colonies                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |
|   |                                  |                                  |  |  |  |

Southern Colonies
